The candidates who obtain qualifying marks at the written examination shall appear before a Services Selection Board. Candidates to be finally selected should secure the minimum qualifying marks both at the written examination and the Services Selection Board interview. Subject to this condition, they will then be placed in the order of merit on the basis of total marks secured. The final selection for admission to the Academy will be made in the order of merit depending on the number of vacancies for each course.

Candidates will appear before the Services Selection Boards, and undergo the tests thereat, at their own risk and will not be entitled to claim any compensation or other relief from Government in respect of any injury which they may sustain in the course of or as a result of any of the tests given to them at a Services Selection Board, whether due to the negligence of any person or otherwise. Parents or guardians of the candidates will be required to sign a certificate to this effect on the form appended to this notification. While at the National Defence Academy, cadets will be subject to the discipline of the service for which they are selected.

*NOTE.—By the time these cadets pass out of the Joint Services Wing, it is anticipated that facilities for further Naval training would be available in India. If, however, such facilities be not available by then, Naval cadets may be sent to the U.K. for further training. During the cadets training in the U.K., parents or guardians will be required to meet their private and vacation expenses, ranging from £125 to £140 approximately.

21. The cost of training including accommodation, books, uniforms, boarding and medical treatment will be borne by the Government. nation for inability to send the Treasury Receipt or crossed Indian Postal Orders with the application will be considered. This does not apply to displaced persons seeking remission of the fee (para. 12 below) and to boys of the K.G.R.I.M. Colleges.

(ii) Certificate of age (see paragraph 5 of the Notification).

(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation certificate or one of the other certificates listed in paragraph 9 of the Notification. This certificate must be sent with the application in original. If a Matriculation or equivalent Certificate does not give the exact date of birth the candidate must send in addition to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An Anglo-Indian or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate who has passed the Matriculation or equivalent examination as a private student must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the school which he first attended showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certified extract from the Municipal Birth Register relating to himself or some other convincing proof in support of the age stated in the Matriculation Certificate should be submitted. The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected. If the Matriculation Certificate has not been issued to a candidate, he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation Examination. Such a candidate will be required to submit his original Matriculation Certificate before he is admitted to the National Defence Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation Certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

NOTE 1.—A transfer certificate from a school or college will not be accepted as evidence of age.

NOTE 2.—The age and nationality certificate, issued by some State authorities, is not required.

If they are unable to obtain the duplicate Matriculation Certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 4.—Ordinarily the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases a candidate must send direct to the Union Public Service Commission all the evidence on which he bases his claim as soon as he has submitted his application.

(b) Candidates from the Prince of Wales' Royal Indian Military College, Dehra Dun or K.G.R.I.M. Colleges must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.

If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence (in original) as he can to support

his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE 1.—Candidates who have appeared or intend to appear at any of the examinations mentioned in paragraph 9 of Notification may also apply for admission to this examination. The applications of such candidates will be accepted provisionally and the successful ones at this examination will be required to furnish proof of their having passed that examination as soon as possible and in any case before they join the National Defence Academy.

(iv) Declaration mentioned in para. 18 of the Notification.

(6) Candidates may be required at the interview by the Services Selection Board to produce the original of any documents of which copies have been submitted in connection with question 18 of the application form.

If the candidate has already submitted any of these certificates in connection with another examination conducted by the Union Public Service Commission and if it has not yet been returned to him, he should mention the fact when submitting his application, and, if possible, enclose a copy of the certificate. If the certificate is not with the Commission, it should be sent with the application whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of the original certificates with them before submitting them to the Union Public Service Commission, as the Commission cannot undertake to return the original certificates until orders are passed on their applications, nor can they undertake to supply attested copies to candidates.

NOTE.—Certificates other than those mentioned in paragraph (5) (ii) and (iii) above will not be returned.

(8) All communications in respect of an application should be addressed to the Secretary, Union Public Service Commission, Parliament House, Post Box No. 186, New Delhi, and should contain the following particulars:—

Name of Examination.

Month and year of Examination.

Roll No. (if communicated to the candidate).

Name of Candidate.

Address as given in application.

Communications not giving these particulars may not be attended to.

(9) The fact that an application form has been supplied on a particular date will not be accepted as an excuse for the late submission of application or as evidence of the receiver's eligibility to compete.

(10) Every candidate for admission to the examination will be informed at the earliest possible date of the result of his application. It is not possible for the Union Public Service Commission, however, to say when that result will be communicated.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

(11) Candidates must make arrangements to see that communications addressed to them to the address stated

in their applications are redirected, if necessary. Also any change of address should be communicated at once to the Secretary of the Union Public Service Commission. †NOTE (ii).—Candidates in this category will not be admitted to the Academy until the declaration of eligibility has been issued in their favour.

8. Candidates must undertake not to marry until they complete their full training. 11. The decision of the Union Public Service Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

12. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Union Public Service Commission.

13. Any attempt on the part of a candidate or his relations/friends to enlist support for his candidature will disqualify him for admission.

14. The maximum number of candidates to be admitted to the examination may in the discretion of the Government of India be limited to such number as the Government of India may decide. If a limit is imposed and the number of candidates exceeds that limit, the Union Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for admission to the Academy or the Air Force Academy of the I.A.F.

15. The examination will be conducted by the Union Public Service Commission in the manner prescribed in Appendix II to the Notification.

16. The Union Public Service Commission shall prepare a list of candidates in order of their merit as disclosed by the aggregate marks awarded to each candidate at the written examination. Candidates who obtain qualifying marks at the written examination shall appear before a Services Selection Board. Candidates to be acceptable should secure the minimum qualifying marks both in the Written examination and Services Selection Board interview. Subject to this condition, they will then be placed in the order of merit on the basis of the total marks secured. The final selection for admission to the National Defence Academy and the Air Force Academy will be made in order of merit depending on the number of vacancies for each course.

Candidates will appear before the Services Selection Boards, and undergo the tests thereat, at their own risk and will not be entitled to claim any compensation or other relief from Government in respect of any injury which they may sustain in the course of or as a result of any of the tests given to them at a Services Selection Board, whether due to the negligence of any person or otherwise. Candidates will be required to sign a certificate to this effect on the form appended to the application.

17. Candidates finally selected for the Army will undergo a course of training upto 2 years at the Military Wing of the National Defence Academy. 18. Candidates finally selected for the I.A.F. will be admitted to the I.A.F. Training Establishments and undergo training for a period of 18 months.

19. Commissions will be granted only on successful completion of training. The date of commission will be that following the date of successful completion of training. Commissions in the Army will be permanent. In the case of I.A.F. 70 per cent. of cadets successfully completing flying training will be granted permanent commissions. The remainder will be granted short service commissions.

20. While the cost of training including accommodation, books, uniforms, boarding and medical treatment will be borne by Government, candidates will be expected to meet their pocket expenses themselves. The minimum expenses at the Academy are NOT likely to exceed Rs. 30 in the case of Air Force cadets and Rs. 40 p.m. in the case of Army cadets. Where cadets' parents or guardians are unable to meet wholly or partly, even this expenditure, financial assistance may be granted by the Government. No cadet whose parent or guardian has an income of Rs. 900 p.m. or above would be eligible for the grant of financial assistance. A candidate desirous of having any financial assistance should immediately after being finally selected for training at the Academy, submit an application through the District Magistrate of his District who will with his recommendation forward the application to the Ministry of Defence, Government of India.

21. Candidates when called up for interview by a Services Selection Board or for subsequent training will be

eligible for T.A. and D.A. in accordance with the rules then in force. Candidates who have previously been before a Services Selection Board for the same type of Commission are not entitled to T.A. and D.A. on subsequent occasions.

22. Pay and allowances, pension, leave and other conditions of service after the grant of commission, will be identical with those applicable from time to time to regular officers of the service in which they are commissioned.

23. No candidate will normally be permitted to resign whilst under training. A civilian candidate who is not considered suitable to complete the full course of training may with the permission of Army Headquarters or Air Headquarters, as the case may be, be discharged. An Army candidate under these circumstances will be reverted to his Regiment or Corps.

24. An outfit allowance at the rates and under the general conditions applicable at the time for each cadet belonging to the Military Wing will be placed at the disposal of the Commandant of the Training Institution. The unexpended portion of this allowance will be:—

- (i) handed over to the cadet on his being granted a commission; or
- (ii) if he is not granted a commission, refunded to the state.

On being granted a commission, articles of clothing and necessaries purchased from this allowance shall become the personal property of the cadet. Such articles will, however, be withdrawn from a cadet who resigns whilst under training or who is removed or withdrawn prior to commissioning. The articles withdrawn will be disposed of to the best advantage of the state.

Air Force cadets will be issued with a complete scale of kit on entry. This kit will be treated as public property and will be withdrawn when a cadet is either commissioned or not otherwise retained in the service.

Details of the required documents are given below:—

Candidates are warned that if the application is incompletely or wrongly filled up or is not accompanied by the documents mentioned in items (ii) and (iii) above or by a reasonable explanation for the absence of such documents it will be summarily rejected and that no appeal against its rejection will be entertained. Candidates are hereby further warned that they must submit the documents which they have not submitted with their applications and for the absence of which they have given explanation in their applications, soon after the submission of the applications. In any case, they must be sent so as to reach the Commission's office one month before the date of the commencement of the examination; otherwise their candidature for the examination will be cancelled.

(i) A treasury receipt or crossed Indian postal orders for Rs. 37/8/- (Rs. 9/6/- in the case of candidates belonging to the scheduled castes or tribal and aboriginal communities). The amount may be deposited in the nearest Government Treasury, or in a branch of the Imperial Bank of India or in a State Treasury authorised to transact business on behalf of Government. (Amounts deposited at Bombay, Calcutta, Delhi or Madras should be deposited in the Reserve Bank of India instead of in the Imperial Bank of India). The Treasury or Bank should be asked to credit it to Government under the account head "XXXVI—Miscellaneous Departments—Examination Fees—Receipts of the Union Public Service Commission".

CANDIDATES MUST SEE THAT THEY ARE ELIGIBLE AND MUST DECIDE DEFINITELY TO ENTER FOR THE EXAMINATION BEFORE DEPOSITING THE FEE IN THE TREASURY (OR BANK). THE APPLICATION FEE WILL NOT BE RETURNED IN ANY CIRCUMSTANCES WHATEVER NOR WILL IT BE HELD IN RESERVE FOR ANY OTHER EXAMINATION (OR SELECTION) ONCE AN APPLICATION HAS BEEN CONSIDERED BY THE COMMISSION. A REFUND OF Rs. 30/- (Rs. 7/8 in the case of candidates belonging to the scheduled castes or tribal and aboriginal communities) will however be allowed to a candidate if he is not admitted to the examination by the Commission or having been admitted secures 35 per cent. or more of the aggregate marks at the examination. The name of the examination and of the Treasury at which the fee is deposited should be clearly entered in the Treasury Receipt. The treasury receipt should be on the form pertaining to Central Government transactions and should be obtained from the treasury at which the fee is deposited.

NOTE 1.—Candidates, who are in the United Kingdom, Australia, Pakistan, Burma, Ceylon or Malaya at the time of submitting their applications should deposit the amount of their prescribed fee [the equivalent fee of Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the Scheduled Castes or tribal and aboriginal communities)] in the office of the High Commissioner for India in the United Kingdom, Australia, or Pakistan or in the Office of India's Ambassador in Burma or in the office of the Government of India's Representative in Ceylon or Malaya, as the case may be, and forward the receipt from that office.

NOTE 2.—Cash or cheques will not be accepted by the Union Public Service Commission. All Postal Orders should be crossed and made payable to the Secretary, U.P.S.C. at New Delhi Post Office and in no case Postal Orders of any other Post Office will be accepted.

NOTE 3.—An application not accompanied by a Treasury Receipt or crossed Indian postal orders for Rs. 37-8-0 (Rs. 9-6-0 in the case of candidates belonging to the Scheduled Castes or tribal and aboriginal communities) will be summarily rejected and no explanation for inability to send the Treasury Receipt or crossed Indian Postal Orders with the application will be considered. This does not apply to displaced persons seeking remission of the fee (*vide* para. 12 below).

(ii) *Certificate of age* (see paragraphs 4 and 5 of the Notification).

(a) The only proof of age ordinarily accepted by the Commission is the age or date of birth entered in the Matriculation certificate or one of the other certificates listed in paragraph 9 of the Notification. This certificate must be sent with the application in original.

If a Matriculation or equivalent certificate does not give the exact date of birth the candidate must send in addition to the Matriculation or equivalent certificate, a certificate (in original) from the Headmaster of the High School which he first attended showing the date of his birth or his exact age as recorded at the time of his admission to the school. An Anglo-Indian, or an Indian Christian may send his original Baptismal or Birth Registration Certificate instead of the Headmaster's certificate.

A candidate who has passed the Matriculation or equivalent examination as a private student must submit, in addition to the Matriculation or equivalent certificate, a certificate from the Headmaster of the school which he first attended showing the date of his birth or his exact age as recorded in the school admission register. If no school was ever attended, a certified extract from the Municipal Birth register relating to himself or some other convincing proof in support of the age stated in the Matriculation certificate should be submitted. The application of a private student who can produce no satisfactory evidence in support of the age stated in his Matriculation or equivalent certificate may be rejected.

If the Matriculation certificate has not been issued to a candidate, he should submit along with his application an age certificate from the Headmaster of the School from where he appeared in the Matriculation Examination. Such a candidate will be required to submit his original Matriculation certificate before he is admitted to the National Defence Academy. He will be disqualified if later on it is found that the date of birth claimed by him in the application differs from that entered in his Matriculation Certificate unless the discrepancy is explained to the satisfaction of the Union Public Service Commission.

NOTE 1.—A transfer certificate from a school or college will not be accepted as evidence of age.

NOTE 2.—The age and nationality certificate, issued by some provincial authorities, is not required.

NOTE 3.—Displaced persons who have lost their original Matriculation Certificates in Pakistan, should obtain duplicate certificates from the University concerned. If they are unable to obtain the duplicate Matriculation Certificate from the University, they should submit an extract from the University Gazette in which their results were published showing their date of birth and certified by the Registrar or the Headmaster.

NOTE 4.—Ordinarily the Commission do not accept a date of birth other than that proved or supported by the Matriculation Certificate. If they do so they require not only convincing proof of the date claimed but also a satisfactory explanation of the incorrect entry in the Matriculation Certificate. When once a date of birth has been claimed and accepted by the Commission for the purpose of admission to an examination, no change will be allowed at a subsequent examination. Candidates who wish to challenge the entry of their age in a Matriculation Certificate must do so at the first opportunity. In such cases, a candidate must send direct to the Union Public Service Commission all the evidence on which he bases his claim as soon as he has submitted his application.

(b) Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun or K.G.R.I.M. College must submit a certificate of age from the Principal of the College and no other certificate as evidence of age will be required.

(iii) *Certificate of educational qualifications.* (See paragraph 9 of the Notification).—A certificate or diploma in original showing that the candidate has one of the qualifications prescribed for the examination. The certificate submitted must be one issued by the authority (*i.e.* University or other examining body) awarding the particular qualification. If such a certificate or diploma is not submitted the candidate must explain its absence, and submit such other evidence (in original) as he can to support his claim to the requisite qualifications. The Commission will consider this evidence on its merits but do not bind themselves to accept it as sufficient.

NOTE.—Candidates who have appeared or intend to appear at an examination the passing of which would render them eligible to appear at the examination but have not been informed of the

result, may apply for admission to the examination. Their applications will be accepted provisionally and they will be required to furnish proof of having passed the examination as soon as possible and in any case not later than the dates of the commencement of this course.

(6) Candidates may be required at the interview by the Services Selection Board to produce the original of any documents of which copies have been submitted in connection with question 18 of the application form.

(7) Copies of the certificates mentioned in paragraph 5 (ii) and (iii) above should also be submitted along with the originals. If the candidate has already submitted any of these certificates in connection with another examination conducted by the Union Public Service Commission and if it has not yet been returned to him, he should mention the fact when submitting his application, and if possible, enclose a copy of the certificate. If the certificate is not with the Commission, it should be sent with the application whether the candidate appeared at a previous examination conducted by the Commission or not. If any certificate cannot be submitted with the application, reasonable explanation of its absence must be given.

Candidates are advised to keep attested copies of their original certificates with them before submitting them to the Union Public Service Commission, as the Commission cannot undertake to return the original certificates until orders are passed on their applications, nor can they undertake to supply attested copies to candidates.

NOTE.—Certificates other than those mentioned in paragraph (5) (ii) & (iii) above will not be returned.

(8) All communications in respect of an application should be addressed to the Secretary, Union Public Service Commission, Parliament House, Post Box No. 186, New Delhi, and should contain the following particulars:—

Name of the Examination.

Month and year of Examination.

Roll No. (If communicated to the candidate).

Name of candidate.

Address as given in the application.

Communications not giving these particulars may not be attended to.

(9) The fact that an application form has been supplied on a particular date will not be accepted as an excuse for the late submission of an application or as an evidence of the receiver's eligibility to compete.

(10) Every candidate for admission to the examination will be informed at the earliest possible date of the result of his application. It is not possible for the Union Public Service Commission, however, to say when that result will be communicated.

All returnable certificates or papers will be returned when the result of his application is communicated to the candidate.

(11) Candidates must make arrangements to see that communications addressed to them to the address stated in their applications are redirected, if necessary. Also any change of address should be communicated at once to the Secretary of the Union Public Service Commission. If a change of address has taken place after the examination, it should also be notified to (1) Army Headquarters A.G.'s Branch, S.P. 2, Defence H.Q., Post Office, New Delhi and (2) Dte. of Personnel, Air H.Q., New Delhi. Although the authorities make every effort to take account of changes in candidates' addresses, they cannot accept any responsibility in the matter.

(12) A displaced person seeking remission of the prescribed fee should forward along with his application his Refugee Registration Card (in original) and a certificate (also in original) from a District Officer or a Gazetted Officer of Government or a Member of the Central or Provincial Legislature to show that he is not in a position to pay the prescribed fee.

3. The candidate's height will be measured as follows:—

He will be placed against the standard with his feet together, and the weight thrown on the heels and not on the toes or outer sides of the feet. He will stand erect without rigidity and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters.

4. The candidate's chest will be measured as follows:—

He will be made to stand erect with his feet together, and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded thus

33 34
in inches —, —, etc
35, 36

In recording the measurements, fractions of less than half an inch should not be noted.

5. The candidate will also be weighed, and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The examination for determining the acuteness of vision includes two tests: one for distant, the other for near vision. The Army Test Types will be used for the test for distant vision, without glasses at a distance of 20 feet, and for the test for near vision without glasses, at any distance selected by the candidate. The standards

of the minimum acuteness of vision with which a candidate will be considered fit are as follows:—

STANDARD I

<i>Right eye</i>	<i>Left eye</i>
Distant vision—V6/6	V6/6
Near vision—Reads 0,6	Reads 0,6

STANDARD II

<i>Better eye</i>	<i>Worse eye</i>
Distant vision—V— 6/6	V, without glasses=not below 6/60 and after correction with glasses=not below 6/24.
Near vision=Reads 0,6	Reads J.

STANDARD III

<i>Better eye</i>	<i>Worse eye</i>
Distant vision—V, without glasses not below 6/60, and after correction with glasses=not below 6/6	V, without glasses=not below 6/60 and after correction with glasses=not below 6/24.
Near vision—Reads 0,8.	Reads 1.

Each eye must have a full field of vision as tested by hand movements.

Squint or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence will cause the rejection of the candidate.

Each eye will be examined separately, and the lids kept wide open during the test.

Inability to distinguish the principal colours will not be regarded as cause for rejection but the fact will be noted in the proceedings and the candidate informed.

The degree of acuteness of vision of all candidates for commissions will be entered in the proceedings in the following manner:—

V. R. = with glasses =

Reads.....

V. L. = with glasses =

Reads.....

No relaxation of the standard of vision will be allowed.

7. The following additional points will then be observed:—

- (a) That his hearing is good and there is no sign of ear disease.
- (b) That his speech is without impediment.
- (c) That his teeth are in good order. He must have 10 sound teeth in the upper jaw functionally opposed to 10 sound teeth in the lower jaw. Two of these teeth in each jaw must be molars. Well-filled teeth will be considered as sound.
- (d) That his chest is well formed and that his lungs and heart are sound.
- (e) That he is not ruptured.
- (f) That he does not suffer from a severe degree of varicocele* or varicose veins. A candidate who has been successfully operated on will be accepted.
- (g) That his limbs are well formed and developed.
- (h) That there is free and perfect motion of all joints.
- (i) That his feet and toes are well formed.
- (k) That he does not suffer from any inveterate skin disease.
- (l) That he has no congenital malformation or defect.

*Severe varicocele is defined as follows:—

- (1) Where the mass of veins is so great that it hangs down in front of the testicle when the candidate stands up.
- (2) If the cord is elongated to such an extent that the testicle hangs at a level obviously lower than normal, of course allowing for the fact that the left testicle is usually at a lower level than the right.
- (3) If there is atrophy to such an extent that the affected testicle is estimated at less than half of the bulk of gland on the sound side.
- (4) Undescended testicle should only be considered a disqualification when situated within the inguinal canal, or at the external ring.

(m) That he does not bear traces of previous acute or chronic disease pointing to an impaired constitution.

(n) That he has been vaccinated successfully (or twice unsuccessfully†) within the last five years

All figures must be drawn accurately and distinctly. Questions may be set in which the use of the set square or of the protractor is forbidden.

The questions on Theoretical Geometry will consist of theorems contained in Schedule B, together with questions upon these theorems, easy deductions from them, and arithmetical illustrations. Any proof of a proposition will be accepted which appears to the examiners to form part of a systematic treatment of the subject; the order in which the theorems are stated in Schedule B is not imposed as a sequence of their treatment. In the proof of theorems and deductions from them, the use of hypothetical constructions will be permitted.

Construction of regular figures of 3, 4, 6, or 8 sides in or about a given circle.

SCHEDULE B (THEORETICAL)

B (i)

Angles at a Point

*If a straight line stands on another straight line, the sum of the two angles so formed is equal to two right angles; and *the converse.

*If two straight lines intersect, the vertically opposite angles are equal.

*(Proofs of these theorems will not be required.)

Parallel Straight Lines

When a straight line cuts two other straight lines, if

- (i) a pair of alternate angles are equal, or
- (ii) a pair of corresponding angles are equal, or
- (iii) a pair of interior angles on the same side of the cutting line are together equal to two right angles then the two straight lines are parallel; and *the converse.

Straight lines which are parallel to the same straight line are parallel to one another.

Triangles and Rectilinear Figures

The sum of the angles of a triangle is equal to two right angles.

In a polygon of n sides, the sum of the interior angles is equal to $2n-4$ right angles.

If the sides of a convex polygon are produced in order, the sum of the angles so formed is equal to four right angles.

*If two triangles have two sides of the one equal to two sides of the other, each to each, and also the angles contained by those sides equal, the triangles are congruent.

*If two triangles have two angles of the one equal to two angles of the other, each to each, and also one side of the one equal to the corresponding side of the other, the triangles are congruent.

If two sides of a triangle are equal, the angles opposite to these sides are equal, and the converse.

*If two triangles have the three sides of the one equal to the three sides of the other, each to each, the triangles are congruent.

*If two right-angled triangles have their hypotenuses equal, and one side of the one equal to one side of the other, the triangles are congruent.

*If two sides of a triangle are unequal, the greater side has the greater angle opposite to it; and *the converse.

*Of all the straight lines that can be drawn to a given straight line from a given point outside it, the perpendicular is the shortest.

The opposite sides and angles of a parallelogram are equal, each diagonal bisects the parallelogram, and the diagonals bisect each other.

If a pair of opposite sides of a quadrilateral are equal and parallel, it is a parallelogram.

The straight line drawn through the middle point of one side of a triangle parallel to another side bisects the third side.

The straight line joining the middle points of two sides of a triangle is parallel to the third side, and equal to one-half of it.

If there are three or more parallel straight lines, and the intercepts made by them on any straight line that cuts them are equal, then the corresponding intercepts on any other straight line that cuts them are also equal.

*Proofs of these theorems will not be required.

B (ii)

Areas

Parallelograms on the same base and of the same altitude are equal in area.

Corollary. The area of a parallelogram is equal to the area of a rectangle on the same base and of the same altitude.

Parallelograms on equal bases and of the same altitude are equal in area.

Triangles on the same or equal bases and of the same altitude are equal in area.

*Equal triangles on the same or equal bases are of the same altitude.

In a right-angled triangle, the square described on the hypotenuse is equal to the sum of the squares described on the sides containing the right angle; and the converse.

Loci. The locus of a point which is equidistant from two fixed points is the perpendicular bisector of the straight line joining the two fixed points.

The locus of a point which is equidistant from two intersecting straight lines consists of the pair of straight lines which bisect the angles between the two given lines.

The Circle. A straight line drawn from the centre of a circle to bisect a chord which is not a diameter, is at right angles to the chord; conversely, the perpendicular to a chord from the centre bisects the chord.

*There is one circle, and one only, which passes through three given points not in a straight line.

Equal chords of a circle are equidistant from the centre; and the converse.

*The tangent at any point of a circle and the radius through the point are perpendicular to each other.

If two circles touch, the point of contact lies on the straight line through the centres.

The angle which an arc of a circle subtends at the centre is double that which it subtends at any point on the remaining part of the circumference.

Angles in the same segment of a circle are equal, and if the line joining two points subtends equal angles at two other points on the same side of it, the four points lie on a circle.

The angle in a semicircle is a right angle.

The circle described on the hypotenuse of a right-angled triangle as diameter passes through the opposite vertex.

The opposite angles of any quadrilateral inscribed in a circle are supplementary; and the converse.

B (iii)

Areas. The square on a side of a triangle is greater or less than the sum of the squares on the other two sides, according as the angle contained by those sides is obtuse or acute. The difference is twice the rectangle contained by one of the two sides and the projection on it of the other.

In any triangle, the sum of the squares on any two sides is equal to twice the square on half the third side together with twice the square on the median which bisects the third side.

The Circle. In equal circles (or, in the same circle) *(i) if two arcs subtend equal angles of the centres, they are equal; *(ii) conversely, if two arcs are equal, they subtend equal angles at the centre.

In equal circles (or, in the same circle) *(i) if two chords are equal, they cut off equal arcs; *(ii) conversely, if two arcs are equal, the chords of the arcs are equal.

If a straight line touches a circle, and from the point of contact a chord be drawn, the angles which this chord makes with the tangent are equal to the angles in the alternate segments.

If two chords of a circle intersect either inside or outside the circle the rectangle contained by the parts of the one is equal to the rectangle contained by the parts of the other.

Proportion; Similar Triangles

(Proofs which are applicable only to commensurable magnitudes will be accepted.)

If a straight line is drawn parallel to one side of a triangle, the other two sides are divided proportionally; and the converse.

*If two triangles are equiangular their corresponding sides are proportional and *the converse.

*If two triangles have one angle of the one equal to one angle of the other and the sides about these equal angles proportional, the triangles are similar.

If a perpendicular is drawn from the right angle of a right-angled triangle to the hypotenuse, the triangles on each side of the perpendicular are similar to the whole triangle and to each other.

The internal bisector of an angle of a triangle divides the opposite side internally in the ratio of the sides containing the angle, and likewise the external bisector externally.

The ratio of the areas of similar triangles is equal to the ratio of the squares on corresponding sides.

*Proofs of these theorems will not be required.

(Questions on Trigonometry will be optional)

(1) Measurement of angles.

Sexagesimal measure and circular or Radian measure. Conversion of Circular measure into Sexagesimal measure and vice versa.

(3) Trigonometrical ratios of angles of any size and sign.

Values of trigonometrical ratios for 0, 90 — 0, 90 — 0, 180 — 0, 180 — 0.

(4) Application of the trigonometrical ratios in solving simple practical problems in Heights and Distances.

4. From the marks assigned to candidates in each subject such deduction will be made as the Union Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

5. Deductions for handwriting which is at all difficult to read will be made up to 20 per cent. of the maximum marks for the written subjects. In English, and in every other subject, deductions for bad English spelling will be made up to 10 per cent. of the maximum marks.
